

Ho Chi Minh

By Annabel Hutnyk

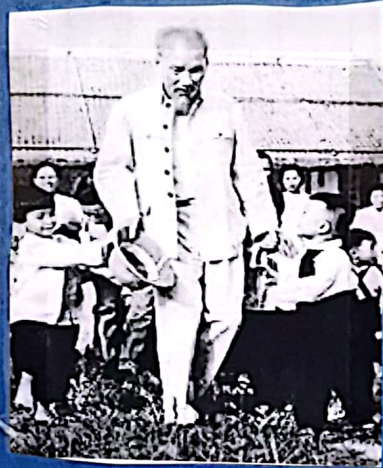

"It is better to sacrifice everything
than to live in slavery (Hochimint)

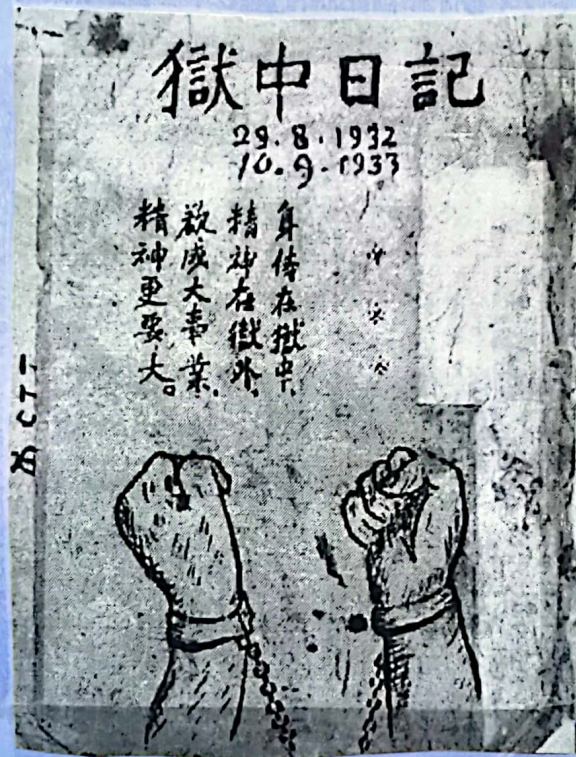

Hochi Minh's real name was Nguyen Sinh
Cung.

He helped save the people of
Vietnam from France and
United States. He was the first
President.

He also ~~lived~~ lived in France and England and was sent to prison in Hong Kong.

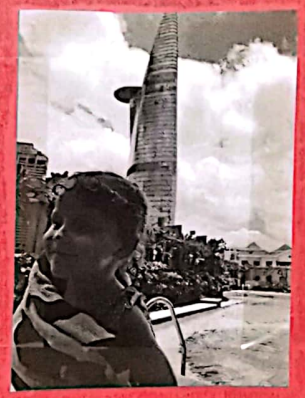

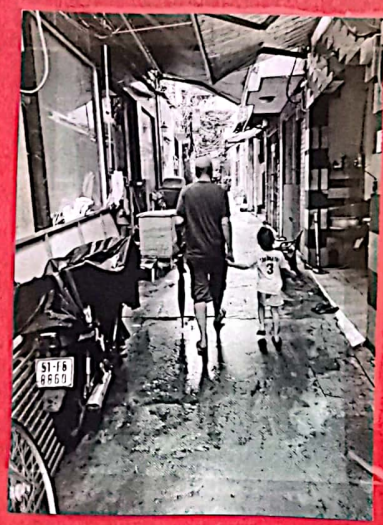

He wrote poems in prison.

His face is on all Vietnamese money.

The city of Saigon was renamed Ho Chi Minh City after him.

I used to live in Ho Chi Minh city.
There are statues and pictures
of him every where.
